Kevin,

I think that decision will be made today. I will be participating on the call tomorrow based on the likelihood that I will be the lead reviewer.

Lisa,

I wonder if you will be the lead reviewing the upcoming Dewey-Burdock ISR SEIS to be finalized later this year.

If yes, Haimanot Yilma, PM for the DB project, and I would like to have a brief conference call with you to update you on the current status and schedule.

Please let me know.

Thanks.

Kevin
